

Please do not tamper with one of the best laws to come down the pike in our lifetime. We have been free of telemarketers since we signed up and have not had any unwanted calls since signing up. I can't count the number of times our dinner was interrupted as we rushed to the telephone only to find a telemarketer on the line.

PLEASE DO NOT DISTURB OUR PEACE AND TRANQUILITY BY CHANGING THE BEST LAW EVER PASSED BY A STATE - ONE THAT TRULY IS FOR THE PEOPLE!
